HERE'S the POINT

By SPENCE HELD

Did the Rose Bowl game leave a bad taste in your mouth? It did in mine, and I've seen enough football in the last 35 years to make me philosophical about the bounces taken by the so-called pigskin.

Here were two teams—UCLA and Michigan State—that had fought their hearts out to a 14-14 tie with a minute to go.

Then the officials took over and decided the issue in favor of Michigan State with a series of penalities that gave the visitors an opportunity to kick a field goal and leave the field with a 17-14 decision.

I've played enough football and officiated in enough games to know that an official can call a penalty on every play if he wants to. There's a thin, almost invisible line between legal and illegal bodily contact, for instance, and an official can decide the winner of any close game by the way he calls penalties.

* * *

The rules-changers and whistle-blowers have just about ruined basketball by practically forbidding bodily contact. There was a time when college basketball was a modified form of indoor football played by athletes—not by seven-foot goons who can reach up and drop the ball into the basket.

Football is a rugged game game that should be decided by the ability of a team to advance the ball by running or passing, and by hard tackling on defense. Certainly it shouldn't be decided by the drop-your-handkerchief boys who jump up and down in a fine frenzy when they spot somebody lifting an eyebrow in violation of Rule 67-D.

And I don't mean that slugging, holding, piling-on or applying an elbow to the face should be tolerated for an instant . . . Ixnay.

But I'm afraid fellas, that we wuz robbed Monday afternoon.

Red Sanders, UCLA coach, exercised remarkable restraint after the game in not denouncing the officials. Me, I ain't the coach and can speak freely.

Nuts!

O. B. Chamber To Install New Officers

President Bill Knopp and other new officers and directors of the Ocean Beach Chamber of Commerce will be installed at an informal dinner-dance meeting Saturday, Jan. 14 at 7:30 p.m. at the Kona Kai Club.

They will be installed by Vice-Mayor Clair W. Burgener, according to H. J. LaDou, retiring president. The O. B. Chamber's award for "Citizen of the Year 1955" will be presented by County Supervisor Frank Gibson.

The Mayor's Award which was won by the Chamber float in the recent Toyland Parade will be presented by Dr. Douglas McElfresh of the North Park Business Club.

Dancing is to follow the meeting. The public is invited to "come and enjoy a good evening," according to Secretary John Pierce.

Tickets are $4.50 per person—this includes taxes and tips for a full-course chicken dinner. Tickets may be obtained from directors or Secretary Pierce, 1918 Bacon St., AC-3-9767. "Please make reservations as early as possible," he urged.

Services Held Wed. For Mrs. Parcells

The Rev. P. O. Jenson of the Ocean Beach Baptist Church officiated at funeral services for Mrs. Anna Jane Parcells, 87, Wednesday at Greenwood Mortuary. Entombment was in the Greenwood Mausoleum.

Mrs. Parcells, of 4724 Pescadero Ave., died Sunday. She had been an active member of Ocean Beach Baptist Church for 20 years.

Survivors are four sons, Forrest, Robey, Robert and Walter Parcells, all residing elsewhere; three daughters, Mrs. Mayme Jenson, Loula A. Oliver and Claudine H. Hume of Ocean Beach; eight grandchildren and 14 great-grandchildren.

NEW OFFICERS—Frank F. Swan, outgoing president of O. B. Kiwanis Club (second from left), turns over the gavel to the new president, Russ Wilson. Left to right are Edwin Peterson, first vice-president; Swan, Wilson, Henry W. "Hank" Voss, treasurer, and Harold Mills, second vice-president. Clyde Wood, secretary, is not pictured. At the club's first 1956 meeting Tuesday night, Bill Stegeman, program chairman for the year, divided members into "buzz" groups, demonstrating speedy and efficient conference technique. Next Tuesday, Jan. 10, members will hear Harry Masters, chief warden of S. D. Civil Defense, discuss "Why Evacuation."—Les Hamm photo.

Pt. Loma Sewage Plant Opposed By Councilman

City Councilman Clair W. Burgener "will be most happy to support the position taken by the Ocean Beach Chamber of Commerce" opposing construction of a sewage disposal plant on Point Loma, according to word received by the Chamber this week.

In September, President H. J. LaDou of the Chamber informed Burgener by letter of its renewed opposition to a sewage plant and ocean outfall in this area. Burgener was asked to keep the Chamber advised of any sewer propositions which may be placed on the ballot.

Recently the Citizens Sewer Committee recommended that the City build a $26,800,000 sewer system with treatment plant and ocean outfall at Imperial Beach. This site had been recommended by three consulting engineers hired by the city; their alternatives were a Point Loma location or sites at both Imperial Beach and Point Loma.

Councilman Burgener, in a letter to La Dou dated Dec. 27, wrote as follows:

"Sometime early in January the City Council will make a decision regarding which sewage disposal plan shall be presented to the voters. Your organization has written to me expressing a strong opinion opposing the construction of this sewage disposal plant off Point Loma or in the Mission Bay area, believing that such a location would be a serious detriment to our beaches and possibly lower the property values.

"Please be assured that I, as your Councilman, am completely sympathetic with your views and am most encouraged by the efforts of the Citizens Committee, which, as you know, has recommended a South Bay location.

"This letter is in response to your request that I keep you advised of any new developments regarding the location of this urgently needed facility and I will be most happy to support the position taken by the Ocean Beach Chamber of Commerce."

In June, 1954, a bond issue for a sewage system with a Point Loma treatment plant and ocean outfall was defeated at the polls.

Loma Portal PTA Plans Father-Son Banquet Jan. 10

Loma Portal Parent Teacher association will have for its first meeting in 1956, a Father and Son Banqut in the school cafeteria, Tuesday, January 10 at 6:30 p.m.

Mr. and Mrs. Robert L. Craig, safety chairmen, are planning a program with Officer Dayton Runnels on the "Care and Use of Guns" and on safety. Included will be a demonstration of playground safety and patrol boys.

As special entertainment, Mrs. Wm. M. Lowry, music chairman, has made extensive arrangements for band music by some of the boys, both large and small. The band will be led by a father, and at least three fathers will be playing side by side with their sons. The band consists of 11 cornets, three saxophones, two clarinets, three accordions, a bass drum, two trap drums, cymbals, French horn and trombone.

Mrs. Charles F. McCabe, PTA president, hopes all lads and dads will be able to attend this special fun nigrt. For reservations, call Mrs. Richard Gallagher, social chairman, AC-2-3927. Tickets are 75c each.

Cornet Building Being Erected

Construction of a 1-story concrete block building in the 4800 block of Newport Ave., for the Cornet 5, 10 & 25-Cent Stores, is expected to be completed in February or early March, it was reported this week.

The building, on the former site of the Ocean Beach Garage, will cost about $60,000 and have approximately 12,000 square feet of floor space, according to reports. The new Ocean Beach Garage building is located at Santa Monica Ave. and Bacon St.

Cornet Stores, with headquarters in Pasadena, has more than 100 retail outlets in the West, including stores at La Jolla, Pacific Beach, National City, Chula Vista and Lemon Grove.

The Ocean Beach store is being built by Callahan Brothers, General Contractors.

FOOD BASKET SUPER MARKET STARTS GRAND OPENING TODAY

The new Point Loma Food Basket super market, which opened Tuesday at Catalina Blvd. and Talbot St., will have its three-day grand opening celebration beginning today and continuing Friday and Saturday.

Fifth in the locally-owned and operated Food Basket grocery chain, the new $500,000 store will employ about 50 persons, serving the needs of one of San Diego's finest residential areas.

"Many Point Lomans, who have been trading in our stores in other parts of the city, encouraged us to establish a super market in their immediate area, which heretofore has been lacking in adequate shopping center facilities," Gerald A. Awes, Food Basket president, pointed out.

"The new store will carry the finest quality and widest variety of fresh meats, produce and frozen foods in the city, for which Food Basket has long been famous."

Featuring the latest innovations in super market design and services, the Point Loma store contains 18,500 square feet of floor space, including nearly 13,000 square feet of sales area. Special emphasis has been given to parking facilities, which will cover approximately 100,000 square feet and accommodate 161 cars at one time in roomy parking stalls.

For customer convenience, a special check-cashing booth has been installed. Store exits are equipped with "magic-carpets," which open and close doors electronically.

Interior and exterior color schemes were created by a Point Loma resident, Mrs. Louise Christopher, well-known color coordinator who lives at 320 San Gorgonio.

Building architecture has been designed to harmonize with the beautiful residential area in which the store is located. No expense is being spared, according to Awes, to landscape and beautify the setting and create an attractive village-type market atmosphere, which will blend with the neighborhood.

Mary Morgan, Food Basket home economist, whose special services are a feature of all Food Basket stores, will appear in person during the grand opening weekend sale to pass out special gifts to shoppers and answer any customer queries.

Following the trend toward greater frozen food selection, Food Basket's Point Loma store will contain more lineal feet of frozen food space than ever before. In addition to departments for meat, produce, delicatessen, groceries, drugs and sundries, the bakery department located on the premises will offer fresh baked products. The store will carry a special fancy foods section along with staple items. The same wide range of bonded meats and choice foodstuffs, for which Food Basket has won fame, will be handled in the new super market.

The store will be open daily from 9 a.m. to 7 p.m., except Friday when closing time is 9 p.m. Sunday store hours will run from 10 a.m. to 7 p.m.

Tryouts Planned For Play At Cal Western 'U'

California Western University and Community Players will hold tryouts for their next production on January 9 at 7:30 p.m. at the Little Theatre in Salomon Hall on the campus.

The play is "Lady Precious Stream" by S. I. Hsiung, and is scheduled to be presented during the week of March 19.

This group of players, which started last June, is composed not only of students but also residents of Point Loma. So all those interested in helping build and create a Community Theatre here are cordially invited to attend the tryouts, not only for the parts in the play but also as helpers backstage with scenery, costumes, and properties.

So far, since its inception, this group has had among the actors and active workers about 100 persons. For further information call Carl Glick, AC-2-6807.

Cod Steal Show; Sportfishermen Filling Bags

Deep sea anglers turned their backs on the best year in San Diego sportfishing history and stepped out in 1956 confident of eclipsing the wholesale records establshed in the last 12 months.

A recheck at the end of the year showed that 42,712 yellows were bagged by San Diego sportfishermen, along with 1201 bluefin tuna and a record take of 22,260 albacore. Best previous score on yellowtail was that of 1954, when rod and reelers brought 41,640 to gaff.

While no yellows were taken New Year's Day, as was the case in 1955, anglers expected to break the ice at any time, for there was a good showing of bonito at the middle grounds of the Coronado Islands and several hookups of heavy fish believed to be yellows were reported.

Bottom fish continued to hit like mad and anglers had no trouble filling their bags. Several single boat catches above the 400 mark were made and one catch, topped by 30 giant cow cod, made by the Fisherette proved a real eye opener. Largest cod checked in at 23 pound 10 ounces, and two of that identical weaight were taken—one by Dr. A. E. Moore, San Diego, and the other by 13-year-old Paul Roos, Los Angeles.

F. O. Ackey, Point Loma, topped off a catch of 20 red cod with a 20-pound cow cod last Saturday.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Considerable fast behind the scenes footwork may be needed to prevent current Congressional investigation from resulting in profound changes in gasoline and petroleum marketing.

* * *

Rep. James Roosevelt's subcommittee of the House Small Business Committee, opened on situation. Then when Senate Small Business Committee started probe of the Attorney General's Committee to study Anti Trust Laws, consid-

erable time was devoted to issue.

* * *

Washington observers took special note of keen interest in subject shown by men such as Senators Russel Long, Edward Thye and James Duff when testimony was presented.

* * *

Basically, testimony developed that in 1954 mortality of so-called independent service station operators reached all time high. Out of 210,000 so-called independent retailers, 65,000 or ⅓ were forced out.

* * *

According to testimony, this was largly due to "all out wars" waged by major oil corporations in "good faith" defense against cut price competition from local brands.

* * *

Testimony developed that in waging these price wars, major oil has the most plush lined method of warfare ever devised.

* * *

Often, it was charged, the cut price off brand stations they warred on were actually being supplied product by the majors.

* * *

But in waging their "war" the majors go to a few of their dealers in the immediate neighborhood of the cut price station and give them a wholesale price as much as 6 cents per gallon lower, but the station must cut his selling price accordingly.

* * *

But the major oil stations outside the immediate neighborhood are given no price concessions. But in order to meet the competition of their own brand in some neighborhood, all the dealers of that brand in entire cities or counties are often forced to sell at a lower price with no adjustment in their wholesale price. Thus, the major oil company sells a huge volume of gasoline during this "good faith" price war, while only taking a cut in price on the gallonage pumped by a few of their dealers in a particular neighborhood.

* * *

So-called independent operators have little, if any recourse, in as much as their life savings are usually tied up in the station which they hold on a six months, or year lease which also contains short term cancellation clauses which can put them out on the street in jig time.

* * *

The senators were told over 80% of the so-called independent stations are actually owned by major oil, and further, that major oil only operates 5% of all the stations, because major oil has found it cannot pay adequate wages and operate stations at a break even point, let alone at a profit.

* * *

It is expected that this matter of gasoline retailing will be gone into even more deeply. In fact, further testimony is expected to deal with tactics allegedly employed by major oil to force "independent dealers" to handle only certain brands of tires, batteries and accessories.

Trinity Church Parish Meeting

Members of Trinity Episcopal Church, asembled for the Annual Parish Meeting Tuesday evening, voted to assume full support during 1956. Up to now the church has been receiving financial assistance as a mission from the Episcopal Diocese of Los Angeles.

Should the local church continue through the year on an independent basis it is then eligible to be declared an independent parish church at the Diocesan Convention of 1957. Trinity Church has been a mission since its organization more than 20 years ago. Motion to assume full support for the coming year was made by Mrs. Julia T. McGarvey, one of the charter members of the church.

Election Held

Other business at the meeting included reports from the various church organizations of their activities for the past year, election of the Bishop's Committee, and delegates to Diocesan convention and Convocation meeting.

Elected to the Bishop's Committee were Ted Foster, Wm. Suvada, John Jenkins Sr., Walter Ward, Alex Davidson, Cecil Carr, Gordon Webber and John Bates. Delegates to Diocesean convention elected were Austin Hartvigsen and Suvada, with Evert Wilson and Bates as alternates.

Convocation

Representatives to Convocation meeting are Wes Clarke, Suvada, Davidson, Mrs. William Walkup and Mrs. Suvada.

The Very Rev. T. Raymond Jones, Dean of the San Diego Convocation, announced that Hartvigsen had been appointed Bishop's Warden for the coming year.

The Annual Meeting was presided over by Rev. John R. Nicholson, vicar, and was preceded by a pot-luck dinner arranged by St. Monica's and St. Anne's Woman's Auxiliaries.

Parenthood Classes Open At Hospital

The new 1956 series of "prospective parents orientation" classes, so successfully inaugurated by Mercy Hospital last year, opened with the first lecture on Wednesday evening, Jan. 4, at 7:30 o'clock. The lectures, presented in a series of four, will be given on Jan. 11, 18, and 25, at the same hour in the hospital auditorium.

Another class also will be offered the following month on the evenings of Feb. 1, 8, 15, and 29. The series then will be discontinued until May 1.

A newly-made sound film entitled, "A Tour Through the Maternity Department of Mercy Hospital," and showing a prespective mother from the day of entry until she leaves with her baby, will be a feature of the classes.

Other visual aids also will be used and lectures by resident physicians will acquaint young couples approaching parenthood for the first time with such vital subjects as prenatal care, anatomy, hopsital procedure and orientation, labor and delivery and care and feeding of the newborn.

Fathers-to-be as well as mothers-to-be are welcome in the "prospective parents" classes. These are free of charge and are open to all anticipating parents whether or not they intend to enter Mercy Hospital for maternity care.

O. B. Woman's Club To Meet January 12

Mrs. Ralph Stothard, program chairman for the Ocean Beach Woman's Club, announced that the first session of the New Year on January 12 will be featured by the presence of Mrs. Frank Wherry, state chairman of education for federated clubs. Her topic will be "Compound That Interest."

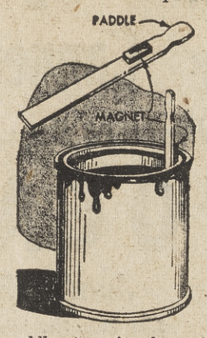
Mrs. Kathryn Hunter, from the famous Rosecroft Begonia gardens, will also be present, giving her imitations of bird calls for which she is renowned.

For the following tea hour, Mrs. Frank Swan, Mrs. Vera Beardsley and Mrs. Arthur Spencer will be hostesses. Mrs. Beardsley has been ill and may not be able to appear in person, but by choice of her committee, her name is still on the list.

FIXIN'-UP TIPS For the Home

Magnet on Paint Paddle

To avoid the nuisance and wastefulness of removing the paddle after every stirring of paint, obtain a small magnet and attach it to the paddle. When in contact with the metal paint can,



the paddle stays in place at the side, out of the way of the brush.

The magnet should be located so the bottom of the paddle doesn't touch the bottom. It may be fastened with a rubber band or attached permanently with cement. — Illustration courtesy *Popular Mechanics*.

Peninsula PERSONALITIES

By AVIS STONE

The bright new year of 1956 finds newcomers to the Peninsula many of whom are settling on the West Coast for the first time and are real boosters for this area.

Mr. and Mrs. James B. Friery, originally from Cleveland,, have purchased their own home on Pt. Loma Ave., and say they are here to spend the rest of their lives! The Frierys and their son, Bernard, recently of the U.S.N., tried Florida first, but it didn't appeal to them, and the long cross-country trip was really worth it, according to the family.

Another family from the East Coast have purchased a home and are enjoying our mild climate. They are Mr. and Mrs. Paul Rider and two children, Richard and Priscilla, former residents of Stanford, Conn.

From South Milwaukee, Wis., have come Mr. and Mrs. Philip Swanson and their two children, Jimmy and Sandra, who are so glad to be in a nice warm part of the States.

From northern California we welcome Mr. and Mrs. H. T. Blaine, former residents of San Francisco, who have taken an apartment on Sunset Cliffs Blvd. This couple expect to be here for two years at which time, Mr. Blaine, who is an ensign in U.S.N. will be out of the service.

Looking forward to a long stay here are Mr. and Mrs. Howard Hogan, formerly of Long Beach, who are busy settling in their new apartment on Muir Ave.

Mrs. E. R. Smith has come from Palo Alto to reside on Green St., and has decided to purchase a home here.

It was a short haul for Mr. and Mrs. Joseph Zajkowski and their family of four girls and two boys, to move from their San Diego address into their new residence in the 4300 block on Rialto. The family is originally from Ohio.

Miss Reta Nolan is very pleased with her new surroundings in the 4500 block on Niagara Ave. Miss Nolan, who is a psychiatric social worker and instructor, formerly resided on Del Mar and is originally from Los Angeles.

Mr. and Mrs. Albert Schiff and their son, who have lived in this area many years, recently moved into their new home on Niagara Ave.

Enjoying a beautiful ocean view from the window of their new home on Novara, are Mr. and Mrs. E. F. Bentley and 12-year-old son, Dennis.

Mr. and Mrs. W. V. Thorpe have moved into their new home on Amiford Dr. at the far end of the new subdivision, Amantea Mar Vista. The Thorpes have two children, Sandra, 2 and 8-month-old Jenifer.

Mr. and Mrs. F. W. Wagner are looking forward to visiting with Mrs. Wagner's sister, Mrs. S. E. Dinger of Marysville, Calif., whom they will meet in Los Angeles during Market Week.

Robert M. Oaks of Long Branch Ave., and his daughter Judith, have returned from Idyllwild, after spending the New Year Holiday with a group from the Church of Religious Science. Traveling with them was Charles Hartranft, also of this area. Because of the brisk weather encountered the horseback trek that had been scheduled was cancelled when the horses were sent to the warmer climate at Palm Springs. However, the trio thoroughly enjoyed their stay.

Sound judgment makes a safe driver, according to the National Automobile Club.

Nannette and Pierre Francois, the French Poodles belonging to Mr. and Mrs. Chester R. Jones, didn't seem the least put out when they awoke on New Year's Day to find that George Stone had been hired as a "dog-sitter" to keep them company while their owners were away. The Jones' spent the New Years Holidays at Ensenada, with another couple from this area, Mr. and Mrs. Alex Cockburn.

Pauline Oaks has returned to her home on Cape May Ave. following a brief stay at Borrego Springs.

Musician's Auxiliary to Local 325, will hold its regular general business meeting tonight, Jan. 5, 8 p.m. at the Musician's Club, 1154, 12th. It is urged that all Peninsula members attend to take part in planning the year's program.

Plans for a county-wide Don Diego Boosters Club will be announced soon. This organization will be for children under 12 years of age. Adults will be honorary members.

Yellowtail Derby Queen Contest Open

Entries are now being accepted in the San Diego Junior Chamber of Commerce's 1956 Yellowtail Derby Queen contest, it was announced by contest chairman Doug. Evans.

Applicants must be between the ages of 16 and 25, single, and should fill out an official entry blank available at the San Diego Junior Chamber of Commerce offices, 947 Columbia.

Contestants will be judged on their appearance in evening gowns and bathing suits by a group of Jaycee Yellowtail Derby Committee members. An elimination round is tentatively planned, with the final selection scheduled for the February 16 general meeting at the Bali Hai.

The Yellowtail Derby Queen will be pictured in the official brochure which receives nationwide distribution, and will be official hostess of all derby activities. The 1956 Yellowtail Derby will open Saturday, March 31, with four periods extending into September scheduled.

CLARKE OPENS NEW SERIES OF LECTURES

Philosopher John Robert Clarke will open his Seventh winter series of "Adventures in Living" lectures at 8 p.m., Tuesday, January 10, at the House of Hospitality, Balboa Park, it was announced today by Edna Stewart, manager of the Clarke lectures.

As a starter for this year's program of ten new lectures on the art of exploring past customs for light on present problems, Clarke will speak on "The Importance of Being Imperfect."

All of the current "Adventures in Living' 'lectures, now given in Beverly Hills each week as well as locally, are open to the public and are followed by coffee and a discussion forum.

Reportable traffic accidents in the unincorporated areas of California have been on the increase this year, according to the National Automobile Club. Reportable accidents during the first eight months of 1954 reached the 18,652 mark while such accidents during the first eight months of 1955 reached 20,828, an increase of 2,176 or 11.66 percent.

Dessert Salad Makes Fruits Glamorous

Fruit salad for dessert can become the beauty highlight of a meal, for who can resist this taste appeal on a summer's evening? Cool and colorful, imbued with fragrant flavor, fruits in salad set the scene for a perfect mealtime ending.

For an especially tempting dessert salad, combine fresh or canned fruits, celery and nuts with chopped dates. And be sure to have an extra-good dressing to blend with the fruits. Ideally suited to this glamour salad is a dressing made from a new salad dressing mix, combined with sour cream and cheese blended with sugar. To make the basic dressing, combine an envelope of salad dressing mix with vinegar, water, and oil according to package directions, then proceed with this recipe for Fruit Salad Dessert — a sure, sweet ending to a summer meal:

Fruit Salad Dessert

1 package Good Seasons Old Fashion French Salad Dressing Mix
Vinegar, water, oil
2-1/2 cups drained cut fruits, fresh or canned
1/2 cup chopped dates
1/4 cup finely chopped celery or nuts
1 package (3 ounces) cream cheese
1 tablespoon sugar
1/4 cup mixed salad dressing
1/4 cup sour cream

Combine salad dressing mix, vinegar, water, and oil as directed on the bottle or package.

Mix fruits, dates, and celery. Soften cream cheese and blend with sugar. Whip together 1/4 cup of the dressing and sour cream. Stir into cheese mixture. Pour over fruits and mix lightly. Serve on crisp salad greens. Makes 4 cups, or 3 servings entree salad, or 4 servings dessert salad, or 4 to 6 servings side salad.

WHO'S NEW IN POINT LOMA

Mr. and Mrs. Leonard Van Stelle had Christmas in their new home in the 3500 block of Garrison St. in Fleetridge. Their new residence boasts a sweeping panoramic view of the harbor and city. The children-at-home include Marianne, a student at State College, and Robert, who attends Dana Junior High School.

Christmas time is a hectic time to be moving and redecorating, too, but the paint was dry and the children's stockings were hung in place when Santa made a housewarming and yuletide call to the K. Lister family in the 2400 block of Locust St. The Listers formerly lived at 3920 Bernice.

From Bremerton, Wash. come Chaplain USN and Mrs. H. H. Hayes, who have taken a house in the 2900 block of Talbot St. The Hayes have two children, Douglass, age 6, and Jody, 2. Miss Virginia Kempston, sister of Mrs. Hayes, is a houseguest over the holidays.

"We're happy to be settled before Christmas," said Mrs. Charles L. Wilson, who, with her ten year-old daughter, Sally, and husband, have bought a home in the 3100 block of Dumas St. Mr. Wilson is vice principal of Woodrow Wilson Junior High School. Mrs. Wilson plans to be working with Girl Scouts in Point Loma.

San Diego's warm climate is a real treat for Mr. and Mrs. Charles Payne and their three children who have moved here from Buffalo. They have taken a house in the 2300 block of Lucerne. Mr. Payne is employed by a local aircraft company.

Arnold Frazier dreamed of a home with a view while Mrs. Frazier was interested in having a larger house than the one they owned in Pacific Beach. Both desires were satisfied in their new home in the 1000 block of Leroy St. They have two small children, Patty and Larry.

Mr. and Mrs. H. E. Nelson and Mrs. Nelson's mother, Mrs. Amelia Williams, have bought a two-unit dwelling in the 3000 block of Jarvis St. The Nelsons have a four year-old daughter, Kimberly. They formerly lived in Chula Vista.

Point Loma was the site chosen for their first home by Mr. and Mrs. H. H. Crane, who have moved in the 3600 block of Charles St. from Beeville, Texas. The Cranes have three children.

Newlyweds, Mr. and Mrs. T. H. Jones, are at home now in an apartment in the 1500 block of Rosecrans. The couple hope to make Point Loma their permanent home.

Mr. and Mrs. C. W. Fitzpatrick, 3643 Florida St., have moved into their brand new home in the 3200 block of Homer St. Mr. Fitzpatrick is a claim agent for the San Diego Gas and Electric Company.

From Stockton come Dr. and Mrs. S. A. Shallenberger and their three children, who have leased a house for eight months in the3500 block of Charles St. The children are Laurie, 14; Cynthia, 13; and Donn, 12.

Mr. and Mrs. George C. Haag of 2905 Keats St., have bought a new home in the 3500 block of Tennyson St. Mr. Haag is a senior designer for a local aircraft company.

The world's largest junior national horse show is held annually at the Southern California Exposition & County Fair at Del Mar. This local event surpasses the Madison Square Garden show in New York.

Tips on Touring

By Carol Lane
Women's Travel Authority

If you want to feel taller in the driver's seat, try an inflatable cushion. One of the latest articles auto accessory manufacturers have come out with is a robe-cushion combination. A pure wool robe, about 50 by 60 inches, comes in a waterproof case, which has an inflatable cushion on one side. Perfect to give you that extra boost to see over the hood. Wonderful, too, for hard benches and chilly afternoons at football games.

A coin holder for your car is a handy gadget for paying tolls and parking charges. It mounts easily on your dashboard with the help of strong suction cups. Dimes, nickels, and pennies are literally at your fingertips.

Most of us who drive carry a few necessities we like to keep handy: tissues, tobacco, camera supplies, pencils and such. A handsome leather case has been designed to hold all these items and to serve as an arm rest and seat divider.

Having difficulty parking . . . can't seem to back in correctly on the first try? A parking dial attached to your dashboard with a suction cup and set according to directions may solve your problem. It tells you when to turn the wheels!

A must for every car is a safety flare and roadside repair light. It's a flare, signal light, and repair light all in one. Plugged into the cigarette lighter it gives a bright beam through its clear plastic top and a good warning light through its red plastic body. A powerful magnet holds it to any metal surface and the 12-foot heavy duty cord gets light to any part of the car.

Today about 50 million Americans have TB germs in their systems. Of course, infection with TB germs need not mean enough to fight the germs to a standstill. But if the body ever weakens, those germs may cause disease.

Always drive at a safe speed, advises the National Automobile Club. A safe speed is that which takes into account the condition of the car, the highway, the traffic, and the weather. A safe speed depends, too, upon the ability of the driver.

Deadline Extended In Jaycee Contest

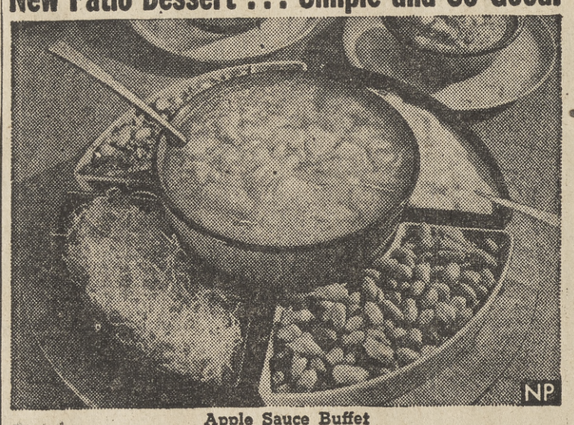
Deadline for submission of nomnations in the San Diego Junior Chamber of Commerce's search for 1955's "Outstanding Young Man" and "Boss of the Year" has been extended to January 7, it was announced toda yby project chairman Virgil H. Carlson. The original deadline was December 31.

This Junior Chamber project each year honors the young businessman of San Diego who contributes the most to his community, and the employer who is doing an outstanding job of employee relations and business ethics.

Carlson reminded that anyone may nominate a candidate for "Outstanding Young Man," the only requirements being that the nominee live or work in San Diego. Candidates need not be members of the Junior Chamber. Nominees for "Boss of the Year," however, must be employers of one of more members of the Junior Chamber Official entry blanks for both considerations are available at the San Diego Junior Chamber of Commerce offices, 947 Colnmbie.

Final announcement of selections and presentation of awards wlil be made at the Jaycees general meeting of January 19, t obe held at the San Diego Club.

New Patio Dessert . . . Simple and So Good!



Apple Sauce Buffet

COME ONE, COME ALL and help yourselves to this dessert! Apple Sauce Buffet is so simple, it belongs in the "why didn't someone think of this before" category. And it's so good tasting, everyone will enjoy it.

Just fill a big deep bowl to the brim with your favorite brand of ready-to-serve apple sauce, well chilled. Around it set smaller bowls each containing a different topping. Guests help themselves and have fun selecting the various delicious toppings for the sauce. You'll find they will combine one, two or three toppings and then come back for second helpings to taste the others.

The toppings suggested here are coconut, peanuts, whipped cream and crumbled peppermint candies. You might offer raisins, candied chopped ginger, crunched peanut brittle, marshmallow cream, maraschino cherries, mixed citron fruits, or slivered almonds. The canned apple sauce with its just-right consistency and lively tang takes on new glory with toppings like these.

APPLE SAUCE BUFFET

6 cups canned apple sauce, chilled
½ pint heavy cream, whipped
1 cup shredded coconut
1 cup salted peanuts
1 cup crushed peppermint

Serve apple sauce in large bowl. Put whipped cream, coconut, peanuts and crushed peppermint candy in small bowls. Place small bowls around large bowl of apple sauce. Let your guests fix their own combination of apple sauce. Yields 8-10 servings.

Round Steak

A spectacular grand opening value! Food Basket's famous Bonded Beef at the lowest price we can ever remember in San Diego for this fine quality beef. These are tender cuts from the very best U.S. Graded Choice grain-fed beef. Each delicious steak is bright with "Blossom," the look fine meat has when it's fresh-cut. Each is trimmed in Fook Basket's special style to give you more for your money. The exclusive Food Basket Meat Bond absolutely guarantees your satisfaction . . . or your money is refunded. Choose from a dazzling array of thin, thick, half, whole or medium cuts . . . at this sensational low grand opening price!

45¢ lb

Rump Roast

Our famous, unique method of cutting this delicious roast gives you less waste and more juicy, flavorful meat for your money. All excess waste, fat and bone is removed! And you get an extra flavor bonus because it's cut right before you buy from the finest U.S. Graded Choice grain-fed beef, which has less cooking shrink and provides more meat for your table. Beautiful with "Blossom," because it's fresh-cut, delicious with flavor because it's top quality! This dramatic low grand opening price offers you great savings while enjoying the best in eating!

45¢ lb

FARMER JOHN Sliced Bacon

Sweet smoked slices of top quality bacon, especially selected for this grand opening sale . . . at a low, low price! Wonderful with that smoke-house flavor, sugar-cured from eastern porkers from the heart of the corn country. Tastes so good, fries so crisp! Each slice is uniform . . . with flavorful strips of lean through each delicious piece. This is the most fabulous sliced bacon value ever . . . don't miss this opportunity to save at this astonishingly low price!

37¢ lb.

Precision-Cut GROUND ROUND

It's not just ground, it's "precision-cut" with our new type of hardened steel cutting blade. Far more delicious, tender and juicy because the tiny tender meat cells are not bruised, mashed or torn. Each tiny piece is a perfect cut of undamaged meat, rich with natural flavor and juices. Every single bite is better! From U.S. Graded Choice grain-fed beef! Available only at Food Basket . . . well worth a special trip!

Timely Tips

Turn a colander upside down over a frying pan when frying chicken, fish or meat . . . prevents spatter and permits steam to escape.

Don't race your engine while waiting for the light to turn green, advises the National Automobile Club. Let the other fellow get away first if he wants to, and waste his gas!

The Alabama Hills, located to the west of Lone Pine in Inyo County, are reported by the National Automobile Club to be among the oldest geological formations on this continent.

Poor wheel alignment wears out more tires than underinflation, according to the National Automobile Club.

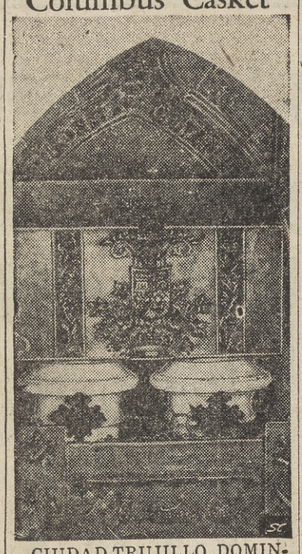
Columbus' Casket



CIUDAD TRUJILLO, DOMINICAN REPUBLIC: — This impressive leaden casket, embossed with Columbus' coats-of-arms as Admiral of the Ocean Sea and Duke of Veragua, titles granted by Ferdinand and Isabella, is opened on October 12 each year in the Cathedral of Santo Domingo. The Archbishop, Primate of the Indies, presides at the ceremony which is witnessed by high officials of the government, the diplomatic corps and a distinguished congregation. The casket contains an airtight crystal inner coffer holding the bones of Columbus and the medallion identifying them when they were found under the Cathedral floor in 1877.

Tips on Dining

Every woman's wish is to be a charming hostess when entertaining. Setting a charming table is one of the prerequisites. Here are some suggestions that will help you achieve that goal:

* * *

A good rule to remember is: "Allow plenty of room at the table for ease of service." Most authorities recommend that at least 24 and preferably 30 inches be allowed for each place.

* * *

Consider the plight of the cave-woman when it came to serving meals. It took all of her strength to carry the crudely fashioned, thick stone plates of that era. Today's Melmac dinnerware is featherweight by comparison—a boon to housewives — and it's highly break-resistant as well.

LARGEST EXPO & COUNTY FAIR PREDICTED AT DEL MAR IN '56

The 1956 edition of the Southern California Exposition & County Fair at Del Mar June 23 through July 8 will be the largest in history, both attendance-wise and in the number of participants, Don Briggs, president of the board of directors, predicted yesterday.

Briggs said he was basing his forecast on the early interest shown. Correspondence with exhibitors and all those who help stage this huge project, has been enthusiastic, he said.

This year's Exposition will run for 10 days, one day less than last year when a record paid attendance of 186,602 persons visited the grounds. The gross attendance was 244,567.

What is the Exposition's number one project now? Getting a new exhibit building completed, Briggs ponted out. Bids for its construction were called for this week by the Division of Architecture in Sacramento. The building will be used for county feature displays, chamber of commerce, grange and related exhibits. Every effort will be made to have the edifice in use this year.

A new 7½ acre fill west of Crosby Hall will increase parking facilities and lessen traffic congestion, Secretary-manager Paul T. Mannen said.

The special events department also is active. Final plans are being made for the 11th annual Fairest of the Fair queen pageant. The fifth annual Diaper Derby will be expanded into a major attraction and a new Don Diego Boosters Club will be launched in March.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Mount Vernon, Washington, is not huge as towns go. In fact, it's population is less than 10,000.

* * *

Usually, the most noteworthy fact about Mount Vernon, Washington, is that the U. S. A. is filled with Mount Vernons. On them depends the future, security and prosperity of the nation, for each is a citadel of strength.

* * *

But bureaucrats getting together in some famous large city of the world either forget this fundamental fact about the land, if indeed they ever knew it.

C. W. Harder

* * *

But what makes Mount Vernon, Washington newsworthy to single out here is that in this town there is a John Vander Pol operating a small business under the name of Westside Welding.

* * *

Located in a center of the northwest dairy industry, Mr. Vander Pol developed a special type of pasture harrow which he has been manufacturing and selling. Due to excellence of his product, he enjoyed a tidy little business. Not a vast business listed on Wall Street, but nevertheless, quite important to Mr. Vander Pol, his employees, and to the Mount Vernon economy.

* * *

But now Mr. Vander Pol is faced with a problem he cannot solve himself, and in fact, a problem not of his making. A comparable piece of equipment is being shipped in from Holland without a cent of tariff duty and is being sold at a price under his production costs.

* * *

Senator Warren Magnuson recently queried U. S. Tariff Commission about this.

* * *

Edgar Broassard, tariff commission chairman, replied with a very interesting answer. He first pointed out that Congress in the tariff act of 1930 exempted from import duty agricultural equipment, and that only Congress can change this ruling.

* * *

But his further comments to a U. S. Senator on what Congress can do are most interesting.

* * *

For he goes on to state that pursuant to concessions granted in the General Agreement on Tariffs and Trade, effective January 1, 1949, the duty free status of harrows was bound and imposition of a duty on such articles while this obligation is in effect would be a violation of U.S. international commitments.

* * *

This appears an astounding statement. First, the General Agreements on Tariffs and Trade is one of the offshoots of the United Nations. Thus, U. S. representatives to an international convention extended perhaps into perpetuity an act of Congress without Congress knowing it.

* * *

Now it is held in official circles that the Congress of the United States, constitutionally the nation's sovereign governing body, is powerless to take any action.

* * *

In connection with this, it is important to bear in mind that early in 1956 State Department is attending another one of these international clambakes on tariffs. According to advance reports, State Dept. is prepared to sell down river U. S. producers of some 1,000 different items.

* * *

This report started out on the matter . . . harrows. But as consideration grows on what could, and probably will happen at this conference early in 1956, the story becomes harrowing. Only ray of hope is Congress will again take over reins. But time runs short, because if present course continues unchecked much longer, U. S. Congress can become a mere rubber stamp.

HEALTH FOR ALL

The recent Christmas Seal campaign was more than just a fund-raising device to provide funds to fight tuberculosis in this area. The San Diego County Tuberculosis and Health Association, sponsor of the local drive, uses the Christmas Seal appeal letter to carry educational facts about TB to thousands of local families.

Stimulated to a new awareness of the disease, thousands of residents throughout the county have taken a more active interest in the local problem.

Many, in sending in their contributions to the Seal Sale, have requested additional information about the disease. Typical of many notes received by the local Association is one penned by a National City woman.

She asked, "Just how serious is the tuberculosis problem in San Diego County? Isn't TB pretty well under control now?"

Maybe you've asked a question like that. Unfortunately, tuberculosis is far from being under control. The means to control TB are now known, which should be an incentive to wipe out the disease. But statistics show that we still have a long way to go.

At the end of the past year, there were more than 1400 known cases of tuberculosis in our county. More than two thirds of these cases were at home, even though hospitalization is recommended for the cure of tuberculosis.

TB Is Deadly

One person a week died of TB last year in this county, ranking it first among the leading causes of death of contagious diseases. Of these deaths, well over half were virtually unknown cases, undiscovered until death or shortly before.

It is these unknown cases of tuberculosis which present a serious problem. They are among us in everyday life—riding the same buses, eating in the same restaurants, sitting in the same theatres—spreading TB germs.

Case finding actitivies throughout San Diego last year uncovered an average of nearly one new TB victim a day. The Chestmobile carrying a miniature X-ray unit to every part of the county, and the TB Clinic were active throughout the year. But it is still up to the individual to help wipe out this disease.

The TB Association recommends routine chest X-ray for every individual over 15 years of age. Only by discovering EVERY unknown case and curing the victim can the tuberculosis problem be eliminated.

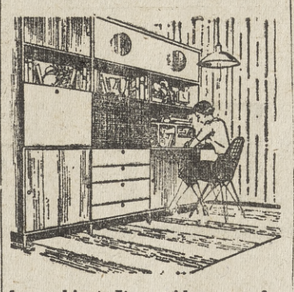
FIXIN-UP TIPS For the Home

Recreation Room Divider

FOR materials costing under $75, the amateur craftsman can build for his home a good looking, well designed recreation center that serves also as a room divider.

The unit has three roomy cabinets behind sliding doors, a four-drawer chest, shelves and a



bar cabinet. It provides room for a high-fidelity phonograph and speakers. It has a built-in desk for writing letters and for a family business center.

The entire back, formed of Masonite "Peg-Board" panels, may be used for displaying photographs, pictures, dishes or other decor.

Made of lumber and Masonite Presdwood, the combination unit has style, utility and beauty.

For a free plan detailing how to make this unusual combination project, write the Home Service Bureau, Suite 2037, 111 West Washington St., Chicago 2, Ill., requesting No. AE-314.
